

OH FALLFEST & ANNUAL MEETING REPORT NOV. 7, 2009

The seventy something edition of our Annual Meeting and reunion was once again a great success. Well over one hundred OH members and guests enjoyed a lengthy happy hour followed by a sumptuous four-course turkey dinner at the AMC Highland Center.

Eric Pedersen, the current Huts Manager, gave a very interesting presentation on what is happening in the huts today, including an update on the Madison rebuilding program. He was followed by stories and anecdotes from some of the old huts managers about experiences during their time in the mountains.

Everyone, including well over twenty current croo really enjoyed the chance to meet new OH and renew old friendships. Where else can you meet such an interesting group of people? So mark **Sat., Nov. 6, 2010** on you calendar for next years gala meeting at the Highland Center.

I have volunteered for the last seven years or so as the coordinator of this event. Since next year I may be on the road, I could use assistance. If you could help, please contact me at dmhbythec@verizon.net or by phone at 978-526-7063.
